AMUSEMENTS

"The Pit," regardless of, or perhaps because of the many kind things that have been said about it, was a distinct disappointment to an audience that filled every seat and occupied much of the standing room at the Salt Lake theatre last night. The play is decidedly not the thing for Mr. Lackaye. Those who remembered his superb Svengall and his many other splendid characterizations thought of them with regret last night as they saw Mr. Lackaye waste his genius on a play that is not worthy of him. BANK CLEARINGS .- Salt Lake bank TO BE BURIED IN VERMONT.-The pecial meeting of the city council has been called for 8 o'clock tonight to pass he appropriation list and to transact other business that may require action.

New Thought league will hold its regular meeting tonight at room 404 Constitution building, where the society has secured permanent quarters. The lecture will be a continuation of the series by C. P. Mason on "Vitology." TEACHERS' EXAMINATION.-Salt Lake county applicants for state teachers' certificates will be examined in the office of Superintendent J. W. Smith today and tomorrow. The examination will begin at 9 o'clock in the forenoon. All teachers are now required to be holders of state certificates.

BOGUE TO BE IN CHARGE.—Denver advices state that the rolling mills of the Western Iron Mills company on the Colorado & Southern line near Burnham will soon open under the general management of Warren C.
